COVID-19 UPDATE INFORMATION FOR PARENTS

Dear parents and carers,

I would like to provide a further update to my communications regarding a possible case of COVID-19.

As you are aware, our Year 11 students were isolated as a precautionary measure pending the outcome of a COVID-19 result. NSW Health have advised today that the person concerned has tested negative to COVID-19. Any staff or students currently isolating pending further information are no longer required to isolate.

NSW Health has requested anyone who has been unwell or if you develop any symptoms such as a fever, cough, sore throat, shortness of breath, runny nose, loss of smell/taste, muscle/joint pains, diarrhoea, nausea/vomiting or extreme tiredness to be tested at one of the [COVID-19 testing clinics](#).

Further information about COVID-19 is available on the [NSW Government website](#).

The NSW Department of Education will continue to work closely with NSW Health to ensure the health and safety of all students and staff is maintained.

The safety and wellbeing of our staff and students is of paramount importance to us at all times. As such we will continue to work closely with NSW Health to ensure that all necessary health advice is adhered to.

While we recognise this has been disruptive and inconvenient for families, it is important that we follow NSW Health advice and take all necessary precautions to minimise the risk of further transmission to support our community.

Please note we will provide further information later today in relation to Year 9 students.

Thank you for your ongoing support. Please do not hesitate to contact the school if you have any questions.

Mark Sutton
